Dear Mission Circle Supporter,

One of our most effective programs when it comes to helping the poor is the Donations Program. It's one of those fortunate endeavors that benefits everyone who participates in it!

The program collects used items from the parish and stores them in the donation sheds until they can be given to a family in need. Just recently we furnished a whole house for a family who had lost everything in a fire. Two children were severely injured and just being able to provide decent beds for them was a tremendous help! This same compassionate story is repeated again and again — items that are no longer needed by our parishioners are received with great joy by people who can really use them.

We need blankets, furniture, household items, gently used clothing, unopened toiletries, diapers, non-perishable food, and some building supplies. Please leave your items at the storage sheds in the lower parking lot of the church grounds. All donations should be clean and in good working condition. For more information or to arrange a pick up, contact Kathy Faller at faller.kathy@gmail.com or Jeanne Hansen at tojeanne@yahoo.com.

Sincerely,

Kevin
